SUPPORT TO TRAINING AND EMPLOYMENT PROGRAMME FOR WOMEN (STEP)

The STEP Programme aims to increase the self-reliance and autonomy of women by enhancing their productivity and enabling them to take up income generaion activities. It provides training for skill upgraduation to poor and assetless women in the traditional sector viz. agriculture, animal husbandry, dairying, fisheries, handlooms, handicrafts, khadi and village industries sericulture, social forestry and wasteland development.

Objectives

- ? To mobilise women in small viable groups and make facilities available through training and access to credit.
- ? To provide training for skill upgradation.
- ? To enable groups of women to take up employment-cum-income generation programmes by providing backward and forward linkages.
- ? To provide support services for further improving training and employment conditions of women.

Implementing Agencies

The scheme is implemented through Public Sector Organisations, District Rural Development Agencies, Federations, Co-operatives and Voluntary Organisation registered under the societies Registration Act, 1860 or under the corresponding State Acts. Recipients of financial assistance under STEP are required to be bodies, organisations or agencies working in rural areas, although their headquarters may be located in an urban areas.

Target Group/ Beneficiaries

The target group to be covered under the STEP Programme includes marginalised, assetless rural women and the urban poor. This includes wage labourers, unpaid daily workers, female headed households, migrant labourers, tribal and other dispossessed groups, with special focus on SC/ST households and families below the poverty line.

Pattern of Assistance

(a) 100 Per cent assistance

- ? Project staff and administrative cost.
- ? Training-stipend, training of trainers, skill upgradation reinforcement, trainingcum-production centres and raw material for training.

- ? Support to members for formation of co-operative societies, producers, workers co-operatives leading to formal legal organisation.
- ? Support services-education, general awareness, health-care, sanitation, nutrition/creche facilities for dependent children, wherever convergence of these services are not available will be provided as part of the project cost.
- ? Marketing support marketing/sales personnel, stock provision and buyers credit godowns, marketing outlets, quality control and managerial support;

(b) 50 per cent assistance

Construction of individual worksheds and production centres not related with training 50 percent of the total cost on this complement will be borne by the Government of India and 50 per cent will have to be borne by the implementing agency.

(c) Working capital/raw material requirements

Financial assistance will be provided for working capital and raw material in a phased manner starting with 100 per cent during the first year, 50 per cent in the second year and 30 per cent in the third year of the project.

In percentage terms funding pattern will be restricted in the following manner of the total project cost

		(In percentage)
?	Administration and Project staff cost	6
?	Training –technical skill training and orientation	
	of beneficiaries & project functionaries	20
?	Infrastructure including marketing support quality control	
	and Managerial support	25
?	Raw material for training including equipment and other	
	material required for training	25
?	Establishment of development co-operatives wherever	
	required-mobilis aation and strengthening of field level set u	ips
	where such support is not available through the existing set	up 10
?	Support services	8
?	Overriding cost	6

Under this programme, up to 90 per cent of the project cost is given by the Government of India. The remaining 10 per cent will have to be borne by the implementing agency from its own sources or through sources other then Government of India. Grants are released to the implementing agencies in two installments each year. The project should cover at lest 500 beneficiaries and the maximum could be 10,000 beneficiaries.

Eligibility conditions

- ? The implementing agencies must be registered at least for 3 years.
- ? Experience/existence in the sector concerned.
- ? To identify and set up link agencies which would facilitate the implementation of the project through their expertise, resources and experience.
- ? While selecting a non-governmental organisation as an implementing agency. It would be ensured that the selected organisation has adequate infrastructure and technical expertise in the sector.
- ? Its financial position should be sound and it should have facilities, resources, experience and administrative capabilities for undertaking the project.
- ? The project will be for a period of 2-4 years depending upon the nature, kind of activities and number of beneficiaries to be undertaken.
